**BOY SCOUTS
OF AMERICA**

Welcome to Troop 19

Adventure is Waiting, Build Yours

The experience you are about to embark upon with Troop 19 has the potential to be one of the most memorable, rewarding experiences of your lifetime.

Troop 19 has a dynamic program with a very wide variety of activities that has something for everyone. The troop has a campout almost every month of the year. One month the troop may be rock climbing and rappelling; another month they may be rafting or canoeing; on other campouts the focus may be on basic Scout skills such as first aid, orienteering, cooking, or fire building.

Frequently our program also includes, at some point in the year, activities focused on shooting sports, wilderness survival, backpacking, hiking, and leadership development. The activities on the schedule each year depend on what the boys decide to include in their program.

Troop 19 offers you the best program and the best leaders in giving your son an opportunity to be surrounded by friends and leaders who share your values.

A Successful Foundation of Trained Leaders

The success of Troop 19 is its adult leadership. The commitment, encouragement and support the adult leaders provide in giving guidance to every Scout is the underlying foundation at Troop 19. Mr. Greg Anthony has been the troop's Scoutmaster for the past 25+ years and has amassed a proficient

understanding of Scouting's aims and methods to effectively advise youth. Combined with the support of numerous trained assistants, Troop 19 is the premier Scout troop in the area.

Troop 19's Vision for Your Son

Troop 19 will prepare our youth members to become responsible, participating citizens and leaders who are guided by the Scout Oath and Law.

We will accomplish this by providing a dynamic and robust youth led program overseen by trained Scout Leaders.

Our program is a "curriculum for life". We focus on:

- Ethics and Values
- Service to the Community
- Adventure
- Fun and Fellowship
- Leadership
- Accountability
- Learning

Whitewater Rafting

Over 90% of our members are involved in activities outside of Scouting

Each Scout is encouraged to participate in the program as much as he wants to. Everyone gets to play—no one is "cut" from the team or sits on the bench.

While various activities and youth groups teach basic skills and promote teamwork, Scouting goes beyond that and encourages youth to achieve a deeper appreciation for service to others in their community.

Scouting provides youth with a sense that they are important as individuals. It is communicated to them that those in the Scouting family care about what happens to them, regardless of whether a game is won or lost.

Finally, and perhaps most importantly, Scouting promotes activities that lead to personal responsibility and high self-esteem. As a result, when hard decisions have to be made, peer pressure can be resisted and the right choices can be made. Our activities include:

- Camping
- Swimming
- Snowboarding and Skiing
- Rock Climbing
- Rafting
- Backpacking
- Cycling
- Sailing
- Canoeing
- Horseback Riding
- Motor Boating
